

Bubble Recipe

Need:

3 Cups of Water

1 Cup Dish-washing Liquid

2 Tablespoons of sugar

Large bowl, bucket or container

How to:

In 1 cup of warm water add in your sugar

Stir till it dissolves

Let cool

In a large bowl, bucket or container add in your water and sugar water

Stir

Then add in the dish-washing liquid

Gently mix - Do not stir quickly as it will foam up

Now its ready for you to blow bubbles
