

Dog Life Cycle

Need:

Paper plates

Felts/pencils

Craft decorations - for example: wool, felt, pipe-cleaners, glitter, stickers, ribbon, crepe paper, cardboard, pompoms, cellophane, straws, matchsticks, fabric

Glue or Tape

Scissors

How to:

Divide your plate into 4 equal sections

Name each section after a section of the dog life-cycle

Create a craft picture in the segment representing that life stage of the dog life-cycle

Dog Life Cycle

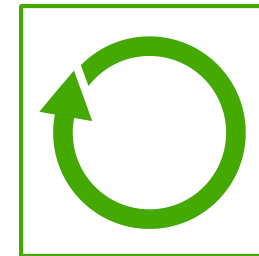

**Mother
and Pups**

0 days

6 weeks

Puppy

6 weeks to 12 months

Yearling

12 - 24

months

Adult Dog

24 months +

INVESTIGATE

Create an investigation and report on your class statistics

How many people in your class have a pet dog?

What colour is their dog?

What breed is their dog?
