Taima

Spring

Koanga

Summer Raumati

Autumn

Ngahuru

Winter Hōtoke

A close-up photograph of a flowering branch against a clear blue sky. The branch is covered in green leaves and clusters of flowers. Some flowers are fully open, showing white petals and yellow centers, while many others are still in the bud stage, appearing as small, rounded, pinkish-red structures. The overall scene is bright and vibrant, representing the spring season.

Spring Koanga September to November
